This is a hands-on course that educates the public on life-saving interventions during any event that could result in large volume or rapid blood loss.

NO EXPERIENCE NECESSARY! We will teach you what you need to know.

This class is open to EVERYONE! The general public, Police, Fire, EMS, Medical Personnel, Educators and any others who want training on how to help in any emergency situation involving active bleeding. Join us for this fun course.

If possible, please, RSVP on the Texas ENA website via the posted link to ensure we have enough instructors and equipment.
