You are invited to the Texas ENA gala. We will celebrate our 2021 National award winners, our 2021 State award winners, and especially the ability to meet together.

While this is a chance to celebrate, it is also a chance to give back. With a “Mardi Gras” look and the “Mask-ER-Aid” theme, we will be raising money for charity, including TxENA Ansley’s Fund.

In your cocktail or business attire, join the festivities by “purchasing” mardi-gras type masks, “voting” for best masks and “borrowing” props at the photo booth, with your donations going to charity! All of this while enjoying local food favorites and beverages of your choice and listening to your favorite music. Please RSVP now with your name and if you’re bringing a “plus one”.
