Dear Members,

Each even year we review our State Council Bylaws to ensure they are up to date and accurate. The Bylaws, Policy & Procedures committee has completed the review and has presented their findings and recommendations to the Board. These proposals have been submitted to both Kevin Stewart, our legal counsel, and the National ENA. The committee with the Board's approval has created the appropriate amendment proposals to be voted on by the General Assembly during the July meeting.

The format of the proposals should be read left to right. The first column has the current language, the middle column shows what will be added or taken out, and the final column shows the new Bylaws language if adopted.

- [Proposal 8 – Resignation and Removal of Board Members](#)
- [Proposal 9 – Treasurer Reports](#)
- [Proposal 10 – Bylaws Amendments](#)
- [Proposal 11 - Elections](#)
- [Proposal 12 - Committees](#)

Please feel free to contact Brad Rush at [bylaws@txena.org](mailto:bylaws@txena.org) if you have any questions or concerns.

Thank you and see you in July.

Sincerely,  
Yvonne Moseley  
Texas ENA President
