

TXENA Bylaws Amendment

May 28, 2024

Dear Members,

The Bylaws, Policy & Procedures committee has completed the review of our current Bylaws and has presented their findings and recommendations to the Board. This proposal has been submitted to both Kevin Stewart, our legal counsel, and the National ENA. The committee with the Board's approval has created the appropriate amendment proposal to be voted on by the General Assembly during the July meeting.

The format of the proposal should be read left to right. The first column has the current language, the middle column shows what will be added or taken out, and the final column shows the new Bylaws language if adopted.

- Proposal 6 – Qualifications for Board of Directors Positions

Please feel free to contact Krystal Garza at bylaws@txena.org if you have any questions or concerns.

Thank you and see you soon!

Krystal M. Garza

Bylaws, Policy & Procedures Committee Chair
